Hi Radhika & Benita,

Attached is the draft 9/22 weekly report for your review.

Some notes – E. Cisar approved the Benton Harbor entry and provided an edit to touch on our work with Michigan EGLE.

Radhika – I know that you flagged the \$12 million TA grants entry as a topic for this week, but we included it in last week's report.

Any additional questions, comments, or concerns, just let me know. Thanks!
